NEW and UNIQUE Concept
in Lisbon for a Corporate /
Leisure experience!

Our basic concept is

A tourist circuit, made in a double-decker air-conditioned panoramic bus, which takes its customers to visit Lisbon while savoring traditional Portuguese pastries, accompanied by a drink of their choice, in an environment of light colors that create an environment of tranquility. , accompanied by Portuguese background music. Which allows you to make the most of the most emblematic places of the city, leaving the rush of everyday life. With high quality products!

Customize the tasting menu you want to offer your customers!
